

Endekay Daily Fluoride Mouthrinse is a mineral supplement for adults and children over 6 years of age used as an aid to the prevention of dental caries by promoting remineralisation, helping to heal early spots of decay before they become cavities.

DIRECTIONS

Half fill measuring cap and rinse teeth thoroughly for one minute and spit out. Use only once daily.

CONTAINS

0.05%w/v sodium fluoride equivalent to 0.23mg fluoride ion per ml.

ALSO CONTAINS

Sorbitol, sodium saccharin, sodium benzoate (E211), poloxamer, peppermint oil, menthol, ethanol, patent blue V (E131) and purified water.

WARNINGS

Do not use if you are allergic (hypersensitive) to sodium fluoride or any of the other ingredients. Sodium benzoate (E211) may be mildly irritant to the skin, eyes and mucous membranes. Do not exceed the stated dose. Do not swallow. Not suitable for children under 6 years.

Tell your doctor, dentist or pharmacist if you notice any unwanted effects after using Endekay Daily Fluoride Mouthrinse or if more than the recommended dosage is used.

Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any side effects not listed in this leaflet. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard. By reporting side effects you can help provide more information on the safety of this medicine.
