

Oilatum[®]

Cream

light liquid paraffin
white soft paraffin

FRAGRANCE FREE

Oilatum Cream is an emollient (softening, soothing agent) used in the treatment of eczema and related dry skin conditions. **Oilatum Cream** forms a protective film which moisturises, soothes, softens and rehydrates the skin. It is especially effective after washing. It is suitable for people allergic to lanolin.

DIRECTIONS

Apply to the affected area. Use as often as required or as directed by your pharmacist or doctor. **Oilatum Cream** is especially effective if applied immediately after washing, to counteract the loss of essential oils from the skin. **Oilatum Cream** is suitable for adults and children.

CAUTION

Avoid using the product if you are sensitive to any of the ingredients*.

If an adult uses this product whilst breast-feeding, wash all traces prior to feeding.

If you experience irritation or any other unwanted effects ask your doctor or pharmacist for advice.

For external use only

Keep out of the reach
and sight of children

Do not use the product after the expiry date.
Store below 25°C.
