

DUAL ACTION TCP

If you swallow large amounts, drink plenty of water. If you feel unwell seek medical advice.

In normal use you should not suffer unwanted side-effects. However, if you notice anything unusual, talk to your doctor or pharmacist.

See your doctor if symptoms persist for more than a few days.

Do not use if you have an allergic skin condition or are sensitive to the active ingredients.

Do not use after expiry date.

Manufactured by:
Laboratoires Chemineau,
93 Route de la Monnaie,
