

TIGER BALM RED OINTMENT

Camphor, Levomenthol, Cajuput Oil, Clove Oil

PACKAGE LEAFLET: INFORMATION FOR THE USER

Read all of this leaflet carefully because it contains important information for you.

This medicine is available without prescription. However, you still need to use Tiger Balm Red carefully to get the best results from it.

- Keep this leaflet, you may wish to read it again.
- Ask your pharmacist if you need more information or advice.
- You must contact a doctor if your muscular aches and pains worsen or do not improve after 2 weeks.
- If any of the side effects gets serious, or if you notice any side effects not listed in this leaflet, please tell your doctor or pharmacist.

In this leaflet:

1. What Tiger Balm is and what it is used for
2. What you need to know before you use Tiger Balm
3. How to use Tiger Balm
4. Possible side effects
5. How to store Tiger Balm
6. Contents of the pack and other information

1. WHAT TIGER BALM IS AND WHAT IT IS USED FOR

Tiger Balm can be used by adults and children over 2 years of age to give temporary relief from **minor muscular aches and pains**.

2. WHAT YOU NEED TO KNOW BEFORE YOU USE TIGER BALM

Do not use Tiger Balm

- If you are allergic (hypersensitive) to camphor, menthol, clove oil or cajuput oil or any of the other ingredients of Tiger Balm (listed in Section 6).
- If you have any sort of skin disease.
- In children less than two years of age.
- On open wounds or on inflamed or irritated skin.

You must contact a doctor if your muscular aches and pains worsen or do not improve after 2 weeks.

Warnings and precautions

- Keep Tiger Balm away from the delicate and moist linings in or around the eyes, mouth, nose, vagina (the birth canal) and the urethra (the tube that carries urine from the bladder).
- Do not bandage areas where you have applied Tiger Balm.

Pregnancy and breast-feeding

- Avoid excessive use if you are pregnant or breast-feeding. →

3. HOW TO USE TIGER BALM

Tiger Balm Red is for external use only.

Follow the instructions below and wash hands after use:

- **For muscular aches and pains (Adults and children over 2 years):** rub gently on the affected parts of the skin as necessary, usually 2 or 3 times a day.
- If your condition does not improve after two weeks or gets worse, seek medical advice.
- **Do not use on children under two years of age.**
- In the case of accidental swallowing of Tiger Balm by a child, it is important to consult a physician without delay who can provide any necessary treatment. Do not try to induce vomiting.

4. POSSIBLE SIDE EFFECTS

Like all medicines, Tiger Balm can cause side effects, although not everybody gets them.

- Tiger Balm may occasionally cause irritation to the skin, such as rashes or contact dermatitis. If this occurs, discontinue use and seek medical advice immediately.

If you get any side effects, talk to your doctor or pharmacist. This includes any possible side effects not listed in this leaflet.

5. HOW TO STORE TIGER BALM

- Keep out of reach and sight of children.
- Do not store above 25°C.
- Do not use Tiger Balm after the Expiry date which is stated on the base of the jar and the carton after EXP. The expiry date refers to the last day of that month.
- Medicines should not be disposed of via wastewater or household waste.
- Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.

6. CONTENTS OF THE PACK AND OTHER INFORMATION

What Tiger Balm contains

- The active substances are camphor 11.0%w/w, levomenthol 10.0%w/w, cajuput oil 7.0%w/w and clove oil 5.0%w/w.
