

**TEXT FOR NON-MARKETED PACKS**  
**ZEROBASE CREAM 50g & 500g LABEL**  
**PL 18962/0001**

**Read all the label before use.**

**What the medicine is for**

Zerobase® Cream softens, moisturises and protects the skin. It relieves the symptoms of red, inflamed, damaged, dry or chapped skin and as an emollient protects raw areas of skin. If you have eczema the cream can also be applied before a bath to stop the skin drying further.

**Before you use the medicine**

**✗ Do not use the medicine if you or your child have ....**

- An allergy to any of the ingredients listed.
- Avoid contact with the eyes.

**! Pregnant or breastfeeding**

Use during pregnancy and breastfeeding is unlikely to have any ill effects when used as directed. If unsure, talk to your doctor or pharmacist.

**! Important Ingredient Information**

Zerobase® contains cetostearyl alcohol and chlorocresol which may cause local skin reactions (e.g. contact dermatitis) or allergic reactions.

**✓How to use the medicine**

! If the cream comes into contact with dressings and clothing the fabric can be more easily ignited with a naked flame. You should keep away from fire when using this product.

**Adults, the elderly and children:** Apply to the affected areas of skin as often as required. Smooth gently into the skin, following the direction of the hair growth.

**FOR EXTERNAL USE ONLY.**

**! If you accidentally swallow some** see a doctor straight away. Take the pack with you to show which product you have swallowed.

Zerobase® CREAM  
Liquid Paraffin

Moisturises and protects red, inflamed, dry skin

50g, 500g **e**

**Possible side effects**

Rarely, mild allergic reactions such as a skin rash may occur. If you notice any side effects; or your skin condition worsens, stop use and tell your doctor or pharmacist. They will tell you what to do.

**Reporting of side effects**

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in this leaflet. You can also report side effects directly via the Yellow Card Scheme at:

[www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard)

By reporting side effects you can help provide more information on the safety of this medicine.

**Storing the medicine**

Do not store above 25°C.

**Keep out of the sight and reach of children.**

Use by the date shown on the label.
